SUPPORTED FILE FORMATS

PHFA will only accept press-quality, print-ready ads. We prefer PDF files with fonts embedded for maximum quality of your printed ad. If you are unable to submit your ad via PDF, we will also accept high quality (300 dpi or higher) JPEG, TIFF and EPS files.

HOW TO SUBMIT AD

Please email ads to canderson@phfa.org. Include the size of the advertisement in the email subject line.

OTHER IMPORTANT INFORMATION

- Make sure all PDFs are exported using press-quality settings.
- Use high-resolution images (300 dpi). Tiny images taken from websites are not suitable for high-quality advertising. Do not include images that you do not have permission to use.
- All color files must be in CMYK format. Convert all spot colors to CMYK.
- Please include your company name within the name of your PDF file.
- Embed all fonts to ensure proper printing. If fonts aren't embedded, we cannot guarantee the finished look of your ad.
- Do not include printer marks (crop marks and color bars) on submitted ad.
