Traveling to a conference can often be the most stressful part of the event. We’re providing these parking and train/bus station directions to help simplify your arrival in Harrisburg.

**Right onto Market Street**
Referencing the map above, as you are coming down Second Street, take a right onto Market Street just as you reach the Hilton. Then go one short block. The next street you reach will be Court Street, which is a small, single-lane street that often has service vehicles parked off to the side (See photo of Court Street on the right).

**Left onto Court Street**
You’ll see a “Hilton Park” sign attached to the hotel on your left as you travel down Market Street. Follow the arrow on the sign; take a left onto Court Street.

**Turn Left Before You Reach the Second Stop Sign**
Travel a short block down Court Street. You’ll reach the first stop sign. Go straight. You now are traveling under the parking garage, no longer in the open. Don’t let that confuse you. Turn on your car lights. Go another short block. Just before you reach the second stop sign, turn left into the entrance for the 11-story Walnut Street Garage. (Continued)
(Continued)

**Button A in the elevator leads you to the Hilton**

Once you park, take the elevator down to Level A. Get off the elevator, walk straight ahead and up the steps. When you reach the main hallway, take a right and go through the sliding doors. Signs will direct you to the Forum registration table. You are on the second floor of the Hilton, which is where the Housing Forum is held. Congratulations, you made it!

**Get reduced pricing to park**

Don’t pay full price for parking in the Walnut Street Garage. To get a discount, simply validate your parking ticket at the hotel’s first floor registration desk. *(Note: If you use a parking garage kiosk to pay, you will not receive the discounted rate.)* If you are a daily commuter to the Forum, you can trade your parking ticket for a less expensive Forum attendee ticket ($7 for a maximum of 10 hours). For validation, take your ticket to the Hilton front desk on the first floor.

---

**IF YOU’RE TAKING A TRAIN OR BUS TO HARRISBURG**

Getting to the Hilton Harrisburg from the train/bus station (they share the same building) is a short five-minute walk. When you come out of the station, walk to your right, down the entry street to the station. You’ll come to Market Street. You are at Fifth and Market streets. The Hilton is at Second and Market streets.

**Amtrak Keystone Service disruption**

Due to track work, Keystone Service trains between Lancaster and Harrisburg will be replaced with buses from approximately 8 a.m. – 4 p.m., Mondays through Thursdays. To accommodate for the disruption, Amtrak advises riders to budget an extra 45 minutes for the trip. To view an up-to-date schedule, visit [https://www.amtrak.com/](https://www.amtrak.com/).
